### Proliant™ B1301

#### Spray-Dried Dehydrated Beef

#### Vaporiser À Sec Boeuf Déshydraté

Canadian Registration No. 08158J

Proliant B1301 is a high-protein, spray-dried product derived by cooking the beef adhering to edible beef bones. No MSG, salt, carriers or other ingredients are added to this 100 percent natural meat product. In addition, Proliant stocks provide more than 90% protein and can be used at levels up to 1% to be listed as flavouring on the finished product label. Proliant meat stocks also count toward the minimum meat protein requirement, which improves cost savings. Proliant B1301 is produced under USDA inspection and is spinal cord free.

#### ■ FEATURES / BENEFITS

- High Protein Content
